Through

The Director of Fisheries,
M a d r a s.

humble petition submitted by U.Achutha son
of B.A.Shriyan, residing at Sandspit, Mangalore.

Sir,

I most humbly and respectfully place before your honour my grievances. I am a fisherman (Moger Community) of West Coast which you know is very backward community in education. Although I am an intermediate student (undergraduate) I have joined the Fisheries Department as a peon with the hope of promotion to Petty Yard Officer. Soon after entering service on the 19th October, 1937, I was put in charge of Malpe II Fish Curing yard where I worked till its closure 28th February 1938. Owing to the retrenchment of staff during the non-operating season I am discharged.

Further the petitioner wants to draw your honour's attention to the recent recruiting of Petty Yard Officers to the Fisheries Department in the West Coast. When application for the Petty Yard Officer's Post were called for, I have also applied advancing the competitive fees of Rs.5/. Accordingly, on the day of interview the Assistant Director of Fisheries having called me said that as I was over 25 years at present I cannot be recruited and as I have joined the Department after 4-6-1936, I

cannot be promoted, for, a rule passed by the Government states that peons who joined the Fisheries Department after 4-6-1936 will not be promoted to Petty Yard Officer. Hence he said that I have no chance for recruiting or promotion. My date of birth according to college records is 9-12-1912.

Although, I am now over 25 years, I have joined the Department before my 25th year and that fact I think is sufficient for my promotion to petty yard Officer. Besides, I have to my credit 4 months and 11 days of service during which time I have worked to the entire satisfaction of my superiors.

Hence, on a kind consideration and a careful investigation of the above facts, I pray your honour to cast a sympathetic look on me and direct the Assistant Director as to my appointment of Petty Yard Officer by amending the said rule

I beg to remain,

Sir,

Your most obedient servant,

U Achutha.

Endorsement: No. 2612-F/38

Forwarded to the Secretary to Government, Development Department.

His total service is only four months and eleven days. He could not be appointed as Petty Yard Officer at the time as there were no vacancies and four discharged probationers were waiting to be reappointed. He cannot be appointed as Petty Yard Officer by transfer as only peons who were in the department on 22nd June 1936 can be so appointed under Rule 2(b) of the Fisheries Subordinate Service Rules. He cannot be recruited direct because Rule 5^(a)(1) of the General ~~Rules~~ Subordinate Service Rules lays down that no person should be recruited unless he has not attained the age of 25 years.

3. The applicant prays for special treatment as he belongs to the fishermen (Mogar) community and is an undergraduate.

Sir,

I most humbly and respectfully place before your Honour my grievance. I am a fisherman (Mogaveera community) of West-coast which is very backward in education. I have applied to the Asst. Director of Fisheries Department - (Coast Calicut for a vacancy of Petty-yard-officer in the month of May 1936. In return I received a Memo from the said office in August 1936 ~~that~~ saying that my name has been registered for the petty-yard-officer's post. But I failed to get a chance till October 1937. In order to overcome the difficulty of my age-bar, I have joined the Fisheries Department as a peon on the 20th October 1937; and hoped that I would be promoted to petty-yard-officer in the event of a vacancy arising. As soon as I entered service, I was put in charge of Malpe II Fish Curing Yard where I discharged the duties as yard officer to the entire satisfaction of my superiors till its closure 28th Feb. 1938. Owing to the Retrenchment of Staff during the slack-season I was discharged.

Further, the petitioner wants to invite your Honour attention to the recent selection of petty-yard-officers to the Fisheries Department in the West-Coast. When ----

In addition, I beg to add although I am now over 25 years I have joined the Fisheries Department before my 25th year (on 20-10-1937); and as I have the necessary qualifications for the above mentioned post, I am entitled for promotion. Consequent to the reopening of the Malpe II F.C. Yard this year, I am ordered to be in-charge of it. Now I am working as a peon in-charge at Malpe II F.C. Yard. Regarding my qualifications I have appeared for Intermediate Public Examination in March 1935 and passed in Parts II & III. My date of Birth according to College records is 9-12-1912.
